Dear Acton Board of Selectmen,

Please accept my enclosed donation check in the amount of \$48.00. I earned the money during my Eagle Scout Fundraiser bake sale to help pay for some of my project's costs for improving a section of trail at the Acton Arboretum. I would like to request that the money be deposited into a Natural Resources Department account to be used for future conservation land trail maintenance projects. Thank you very much.

Sincerely,

Kevin Ren
